HAPPY MOTHERHOOD

The happiness of motherhood is often overlooked because the mother's strength is equal to her cares, while her selfish notion neglects her own health.

It is a duty of husband or friend to see that she gets the pure medicinal nourishment in Scott's Emulsion, which is not a drug or stimulant but nature's concentrated oil-food tonic to enrich and enliven the blood, strengthen the nerves and appetite. Physicians everywhere recommend the Scott's Emulsion for overworked, nervous, tired women; it builds up and holds up their strength.

Get Scott's at your nearest drug store.
The members of the Redmen's Band played for the Brodhead Fair last week and it is rumored that Brodhead had some music too.

MANY RUINED LIVES

Hundreds can point to the use of calomel as the cause of physical decay. Its strenuous effects upon liver, kidneys and even the heart are known to every practicing physician.

Strong In the Hub

That's the kind of a wagon you want—strong in the hub. No wagon is stronger than its wheel, and a wheel is stronger than its hub. That's why you get on

the "Owensboro" wagon. It's made of oak, a select, seasoned, white oak built and seasoned through and saturated with pure linseed oil before painting. With the toughest, hot glue dipped. A Grade spokes driven in, the "Owensboro" hub becomes one solid piece, which, with the many other features, makes the "Owensboro" wagon the strongest, safest, lightest running wagon made.

Come See the "Owensboro" Here

Come and see the "Owensboro" just as it is, ready for you to hitch your team to and drive away in, with more wagon value and wagon satisfaction for your money than the owner of any wagon unless it's an "Owensboro."
